

RANKING OF TURKISH UNIVERSITIES BY ACADEMIC PERFORMANCE (JANUARY 2010)

Turkish Universities (114 of them) are ranked according to their academic performances based on national and international sources. Nine indicators were used for ranking.

The indicators used and the ranking tables are given below.

INDICATORS:

- 1) Number of articles (SCI, SSCI and AHCI) published in 2008.
- 2) Number of articles (SCI, SSCI and AHCI) published in 2008 **per faculty** (Professor, Assoc.Prof and Assist. Prof).
- 3) Number of citations received in 2008 for articles (SCI, SSCI and AHCI) published between 2000-2008.
- 4) Number of citations **per faculty** received in 2008 for articles (SCI, SSCI and AHCI) published between 2000-2008
- 5) Total number of academic publications/citations, proceedings etc. obtained from Google Scholar results for 2000-2008 period
- 6) Google Scholar results **per faculty** for 2000-2008 period
- 7) Number of Ph.D. students in 2008
- 8) Percentage of Ph.D. students
- 9) Number of students **per faculty**

Number of full time faculty, number of undergraduate and Ph.D. students and number of articles for 2008 were obtained

from statistics of **Higher Education Council (HEC)** and **Student Selection and Placement Center of Turkey” (SPC)**.

Number of citations received in 2008 for articles published between 2000-2008 were obtained from (**ISI**). Total number of scientific publications and citations were obtained from **Google Scholar**.

The universities were listed according to their performance for each indicator. The university with the highest performance was given 100 points, the other universities received points accordingly. Then points received for each indicator were summed to obtain total points for every university.

Ranking lists were prepared for all universities based on total scores for **a) Universities founded before 2000, b) Universities founded after 2000**, Then a separate ranking lists were prepared for **c) universities having Medical Schools** and another list for **d) universities which do not have Medical Schools**. The ranking tables are given below.

We are grateful to the members of our Advisory Board : Prof.Dr. Nusret Aras (Former President of Ankara Univ.), Prof.Dr. Tuncalp Ozgen (Former President of Hacettepe Univ.), Prof.Dr. Engin Atac (Former President of Anadolu Univ.), Prof. Dr. Ulku Bayındır (Former President of Ege Univ.), Prof.Dr. Attila Askar (Former President of Koc Univ.), and Prof.Dr. Yasar Sutbeyaz (Former President of Ataturk Univ.). We are also grateful to our technical team Prof.Dr. Bilgehan Ogel and Research Assistants. Nergis Gurel, Rafet Cevik and Basak Ozturk

We hope that this work will help Turkish Universities to develop themselves, and reach to much better positions in world ranking lists.

Professor Dr. Ural AKBULUT
Former President of Middle East Technical University
(2000-2008)

P.S. You can reach the Turkish version of this work in this web page.
