

RANKING OF TURKISH UNIVERSITIES BY ACADEMIC PERFORMANCE (2009)

Turkish Universities (92 of them) are ranked according to their academic performances based on national and international sources. Nine indicators were used for ranking.

The indicators used and the ranking tables are given below.

INDICATORS:

- 1) Number of articles (SCI, SSCI and AHCI) published in 2007.
- 2) Number of articles (SCI, SSCI and AHCI) published in 2007 **per faculty** (Professor, Assoc.Prof and Assist. Prof).
- 3) Number of citations received in 2008 for articles (SCI, SSCI and AHCI) published between 2000-2008.
- 4) Number of citations **per faculty** received in 2008 for articles (SCI, SSCI and AHCI) published between 2000-2008
- 5) Total number of academic publications/citations, proceedings etc. obtained from Google Scholar results for 2000-2008 period
- 6) Google Scholar results **per faculty** for 2000-2008 period
- 7) Number of Ph.D. students in 2008
- 8) Percentage of Ph.D. students
- 9) Number of students **per faculty**

Number of full time faculty, number of undergraduate and Ph.D. students and number of articles for 2007 were obtained

from statistics of **Higher Education Council (HEC)** and **Student Selection and Placement Center of Turkey” (SPC)**.

Number of citations received in 2008 for articles published between 2000-2008 were obtained from (**ISI**). Total number of scientific publications and citations were obtained from **Google Scholar**.

The universities were listed according to their performance for each indicator. The university with the highest performance was given 100 points, the other universities received points accordingly. Then points received for each indicator were summed to obtain total points for every university.

A ranking list was prepared for all universities based on total scores for **a) all universities with and without Medical Schools (General)** . Then a separate ranking lists was prepared for **b) universities having Medical Schools** and another list for **c) universities which do not have Medical Schools**. The ranking tables are given below. The revised tables (with 2008 publications) will be announced by December 2009.
